

**BABY STORYTIME - Fall Session 2  
at BATAVIA PUBLIC LIBRARY  
Fridays, October 16—November 6, 10 a.m.**

Baby storytime is intended for infants through toddlers 23 months. Youth Services Librarian, Kathleen Redmond, has prepared fun storytimes which promote early literacy. Each Friday morning, Miss Kathleen will send a link to parents for the YouTube storytime which can be viewed at your convenience. You are welcome and encouraged to view it more than once. Babies enjoy the repetition. For the final week of storytime Miss Kathleen has prepared a take home storytime, complete with a free book, rhymes and activities. You may pick up the take home kit at the Library on the last day of storytime. Then share with your child.

Please register for Baby Storytime by calling the Youth Services Department at 630-879-1393 X500.
