

# Fireside Family Fun

Winter Library Club 2023  
Jan. 14- Feb. 28

## Activities for Ages 0-2

- **Learn a new rhyme with your baby.** What rhyme did you learn? Find suggestions from Storytime Katie! <https://tinyurl.com/mseby4b7>
- **Play a counting game with your baby.** What game did you play?
- **Read a nonfiction board book with your baby.** Books can be about animals, space, cars, winter, and more! What book did you read?
- **Read fiction board books.** Read a total of one hour together. Sessions can vary in length depending on your child's attention span. What books did you read?
- **Listen to music with your baby.** Find a CD in the Library or explore Hoopla's baby music selection. What song did you share with your baby?
- **Do some baby art!** While babies are not writing yet, they can develop their pre-writing skills by scribbling. You can help by allowing them to grasp large crayons or by finger painting. Have your baby finger paint with jello or pudding in the tub before a bath. Did your child draw with crayons or make some bath art?
- **Use this link and choose one of these early literacy activities to do with your baby.** What activity did you try? <https://tinyurl.com/2p84nt59>
- **Register for a Baby Bag OR 1000 Books Before Kindergarten.** If you are already registered, turn in 2 bookmarks for 1000 Books. Which did you do?
- **Play a lap game with your baby.** Playing simple games with repetitive phrases helps to build self-awareness and trust. Children can show they understand by engaging in games such as Peek-A-Boo and So Big! What game did you play?
- **Read a baby magazine.** The Library has a variety of magazines for babies. Search for these magazines in the Library catalog: *Babybug*, *Highlights Hello*, and *Zoobies*. Which magazine would you like to share with your baby?
- **Use this link to complete one activity** from the DEMCO Early Literacy Activity Calendar Jan. 2023. <https://tinyurl.com/22v92z49> What activity did you do?
- **Repeat!** Choose one of the activities that you have already completed, and do it again! Repetition is great for babies. What activity did you repeat?
